The TG Ten

INSTRUCTIONS: The TG 10 principles can be categorized into three groups. Based on your study of scripture thus far in your training, articulate which passages of scripture you would correlate to each of the following TG 10 principles. List the passages and explain your reasoning.

The Character of God

Principle 1: Transformational giving is based on the abundance and trustworthiness of God, not a theology of scarcity.

Principle 2: Every act of giving is first and foremost a statement about the faithfulness of God.

Principle 3: God invites people to be part of his work because of his desire to see them grow in him.

The Organization's Relationship with its Champions

Principle 4: Giving time, talent, treasure, and testimony is a result of champions being comprehensively coached in the cause.

Principle 5: Ministry leaders have a dual calling to steward the mission and grow the people God brings.

Principle 6: The liberating nature of generosity means inviting champions to give is a sacred task that grows God's kingdom.

Principle 7: Ministry leaders coach champions according to the degree of their personal ownership in the cause.

The Champion's Role

Principle 8: Champions connect with organizations primarily to enhance their mutual impact on the cause.

Principle 9: The relationship between champion and champion is as important as the relationship between champion and organization.

Principle 10: Champions are called to be a primary means of advancing the cause.
